How to Spot a Fake 'Digital Arrest'

Awareness is your best shield. Here are 3 simple signs to help you identify a scammer immediately.

01

The Panic Call

You get a call from someone claiming to be a police officer or CBI, saying your ID was used in a crime.

02

The Video Trap

They force you to stay on a video call, wearing uniforms, to make you feel you are under 'Digital Arrest'.

03

The Demand

They ask for money to 'clear your name'. Real police will NEVER ask for money over a phone call.
